SATURDAY **POOL PARTY with The Patio Cats**

****

If you are cleaning out your firepot, please put your ashes in the garbage, NOT IN THE COMPOST. They are a fire hazard, especially with the dry leaves and grass that are piled there. Remember, garbage goes in the dumpsters, compostable lawn and garden waste goes to the compost pile.

MAN'S (& WOMAN'S) BEST FRIEND doesn't have to be an annoyance - it's up to you to keep him quiet and to always clean up after him. We see lots of dog-walkers without plastic bags to scoop - do they always go back and clean up? Apparently not! Don't make your dog a nuisance **- STOOP & SCOOP!**

SEEN IN PASSING.......Myrt Anderson, borrowing someone else's grandchildren...Bob Muir, turning 60!?!?!?...Judy Matkowski, stopping the drips...Trent Clark using water!...Steven King, "When's my boat coming?"...Alexander DelGobbo, wondering where HIS boat is...Tyler Bourque, learning pool chemistry...
