COMING EVENTS

July 24 - **HALLOWE'EN** ....BOO!

↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵↵

We've finally figured out who's to blame for the shortage of space in the **BOAT TRAILER PARKING** area... it's our affluent society! If you now have an extra runabout for fishing or the kids, or seadoos for fun, then you have an extra trailer or two which we can't accommodate even though we've made extra room.

Soooooo...**ONE TRAILER PER SITE** may be parked in the launching ramp area (unless you stack your trailers - which can be done with a little manpower!). All others must be put in the new storage area along Creighton St. All trailers must be tagged - untagged trailers will be removed. Come to the Office for a tag and directions.

Trailer parking spots are not reserved in either area.

PROPANE

Now available to our campers is a propane tank exchange program. You can bring your tank to be exchanged for a full tank, or you can leave your tank to be refilled and returned. If you want your tank returned it must be labelled with your name and the name of our park - Hammock Harbour. Rates are posted at the Office; pay in advance.

INTERNET ACCESS is really spotty when the weather is bad - either here, where we are receiving and sending out to you, or there, where we get our signal from. Please be patient - things will improve when the skies clear!
