You're finally here, so relax, calm down and **DRIVE SLOWLY!!!** There's no need to race to your site, especially when there are walkers and bikers using the same roads. Driving is a privilege requiring adult behaviour - let's all act like grown-ups!

@@@@@@@@@@@@@@@@@@@@@@@

SEEN IN PASSING... Vi Parry, collecting no more... Krista Warnke, dispensing weapons... Randy Bear, making sense of a muddle...Harry Zwep, thinking about it...Jesse Wright, a new day every day... "Woody", using lots of gas...Jillian Clark, losing stuff...
